   Q: Why is that so important to you?

4. Identify consequences of NOT taking action

   Q: What has it, is it, or will it cost you if you continue on this path?

5. Identify any blocks (mental, emotional, physical)

   Q: What is holding you back from handling this? What justifications/rationalizations have you used to keep you from moving forward?

6. Decide and break down action to the very next step

   Q: What is the very next [make sure it is one simple action] step that will get you moving, ASAP? (Today!) (In the next 15 minutes)

7. Create accountability

   Q: Besides me, who or what can you use as leverage to ensure you follow through on your commitment?
